Subject: **CERTIFICATE OF CONFORMANCE - Traffic Control Device**

Dear Mr. Regier:

Pursuant to Section 316.0745, Florida Statutes, the traffic control device manufactured by your company and indicated below has been approved and placed on the Department's **Approved Product List** of Traffic Control Devices.

<u>APPROVAL NUMBER</u>	<u>DEVICE OR PRODUCT</u>	<u>DESCRIPTION</u>
67014360427011	Wired Cabinet Assemble For School Zone	Model R829 School Zone Calendar

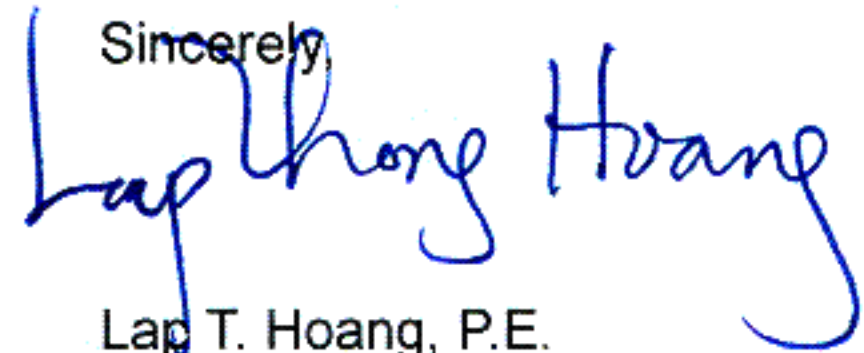

- Note: 1) Manufacturer must notify this office of all customers in Florida for one year.  
 2) Unit was evaluated with one Eagle signal head housing and Dialight 4 volt LED module.

All correspondence associated with the above device, including submittal data for construction projects, must refer to the certification number above. The FDOT Approved Product List (APL) is located online at the following Internet address: [http://www.dot.state.fl.us/trafficoperations/Traf\\_Sys/terl/apl.htm](http://www.dot.state.fl.us/trafficoperations/Traf_Sys/terl/apl.htm).

**THIS APPROVAL IS NOT AN ENDORSEMENT OF THE DEVICE.** The Department reserves the right to remove the approved device from the APL if it fails to perform satisfactorily or falls below established standards and specifications. Failure on your part to notify the Department immediately of any product modification or alteration, or when the device or product is discontinued, may result in removal of that device or product from the APL.

Any modification or alteration of an approved device – including design, materials, or operational improvements – must be resubmitted, along with supporting documents for review and, if needed, reevaluation by the Department. A periodic review will be made of products listed on the APL to ensure continued conformance and to keep the listing current.

Thank you for your effort and congratulations on a successful review. Any feedback concerning your experience with this FDOT APL certification process would be appreciated. Be sure to notify this office within 30 days of any change in your company's address. Please contact Carl Morse at (850) 410-5417 for any correspondence dealing with this approval.

Sincerely,  
  
Lap T. Hoang, P.E.  
State Traffic Engineer
